1. Receipt is acknowledged of the amendment filed August 13, 2003.

2. Claims 1, 4 and 5 are pending in this application.

Claims 2-4 and 6-8 have been cancelled.

3. The arguments have been found not to be persuasive but in order to narrow any possible issues the prior references have been withdrawn in view of the more pertinent reference as employed in the following paragraph.

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless —(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1, 4 and 5 are rejected under 35 U.S.C. 102(b) as anticipated by Sukumaran et al.

The reference clearly teaches a composition containing phosphates in addition to the eugenol which pharmaceutical composition treats cancer. The intended use is immaterial unless the composition cannot be employed for the intended purpose as indicated by the previous rejections in accordance with In re Best.

4. **No claim is allowed.**

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

The reference was necessitated by the amendment to the claims.
